

# The 10<sup>th</sup> Symposium on Molecular Diabetology in Asia ( The Study Group of Molecular Diabetology in Aisa)

29 November 2008

Guangzhou, China

## Introduction

On behalf of the Local Organising Committee, it is a great pleasure to invite you to attend and participate in this exciting event.

Guangzhou, one of China's main industrial and trading centers, has a history of more than 2,800 years. It has an ever-green scenery and flowers blooming all the year rounds. The venue of the meeting will be the newly built HJGRAND HOTEL on the commercial and financial, developing district of the golden area, about 10 minutes by bus from the Guangzhou Baiyun International Airport.

The meeting will start with a welcome party in the evening of Friday, 28 November and end on Saturday, 29 November. There will be 10 excellent thesis awards for young scientists and 10 travelling grants to support members of the Study Group of Molecular Diabetology in Asia to attend this meeting.

We are certain that the 10<sup>th</sup> Symposium on MDIA in Guangzhou will stand out as unforgettable in your memory.

We look forward to welcoming you in November 2008.

Jianping Weng,  
Executive President, Local Organization Committee
